

# TOXILIV<sup>®</sup>

100% Protection of Liver

Liver Keeps Body Vital

And

TOXILIV Makes Liver Vital

*Liver removes toxic substances from the blood. Every minute, enormous amount of blood flows through the liver where it is filtered and cleansed from impurities such as drug residues and toxins. The liver therefore needs supplements to function properly.*

SECRET  
OF MY HEALTH

TOXILIV

TOXILIV<sup>®</sup>  
100% Protection of Liver

#### WHY TOXILIV IS NEEDED?

With the present agricultural trend where numerous toxic chemicals are used in the production of animal foods and with the present demand of numerous drugs to be incorporated in the animal diet and water supply, the liver faces a great threat of OVERLOADING its functions to detoxify the blood. TOXILIV is specially formulated to provide substances and nutrients needed by the liver to function properly.

#### UNIQUE FEATURES:

- Boosts Liver Functions
- Promotes Growth
- Excellent performance against hepatic dysfunctions due to toxins, disease & drugs
- Increases production & hatchability rates

#### INDICATIONS:

- For the prevention & treatment of acute & chronic liver disorders, aflatoxicosis, non specific anorexia, weakness, anemia & stress.
- To regulate feed intake & livability in poultry & livestock.
- To improve feed conversion rate (FCR), egg production, weight gain & hatchability.

#### COMPOSITION:
